Questions/Comments:

\* Has Northeast School Corporation been contacted about providing bus service to DUCS students in Dugger?

Kyle Foli answered that our attorney was to draft a letter for board to see before sending. She has not done so. Kyle stated he would give her a call concerning the matter.

\*Request from Greg Ellis: Currently working on Historical Preservation Grant Application and anyone having knowledge of history of school is urged to share.

\*Comment from Mr. Martin: Thanks to Carri Howard and Kylee Knoepfle for heading the respective committees; academic and fundraising. Debbie Ellis interjected that the disbursement of planning and implementation grant money is forthcoming-possibly January.

\*Steve Hall stated that we have an opportunity to partner with the Living Waters basketball team in the "Court of Dreams" endeavor on Feb. 1. Our Jr. High and Varsity girls and boys basketball teams will go to Bankers Life Fieldhouse and play during the afternoon and then stay for Pacers game that evening. Students will have use of facilities (locker rooms) while there. We must sell at least 50 Pacer tickets in order to participate at a cost of \$24.20 per ticket. Consensus was that this is good opportunity for kids.

Motion to partner with Living Waters and approve trip: Greg Ellis

Second: Carri Howard

All Vote: Unanimous yes

\*Acknowledge new pads in gym

\*Reminder from Mr.Martin for public to submit questions for board in advance and submit at [duggerunionschools.org](http://duggerunionschools.org).

\*News from Cafeteria: Free and reduced monies will offset cafeteria costs thereby running in the black.
