d. Discussion/approval of Shannon's Ag & Health proposal

- i. Ag brings CTE money back to school like Tech classes do. \$116,000 is the projection of how much money Ag classes would bring into the building. Hiring 2 teachers would cost about that same amount with salary and benefits.
- ii. Tech equipment kept being delayed. We canceled the \$180,000 order. Haven't gotten a clear answer on whether this grant money could be used for Ag equipment.
- iii. Blane Crabb would teach elem. and JH PE. Levi Lumm would do Adv. PE. An Ag teacher would be hired to replace Tech classes. Sara Pigg would teach all science. A Health teacher would be hired to teach Health and some PE.
