We understand the concern and distress this matter may have caused our families, students, and staff, and we take it seriously.

When we became aware of the allegations, we immediately contacted the appropriate authorities and placed the individual in question on administrative leave.

Because the matter is under review by an independent third party, the Board can not comment further while the investigation is ongoing.

Once the investigation is complete, the Board will carefully review the findings, take any appropriate action in accordance with the report and applicable law, and share the findings with parents in a timely and responsible manner.
